

SCHOOL OF NURSING
UNIVERSITY OF MICHIGAN

Are you interested in helping to change diabetes care experiences for people with type 1 diabetes?

Take part in our research study to help determine if an educational video intervention is effective to raise awareness of issues around the use of effective language in diabetes care.

Register here!

You are eligible to participate if you:

- Currently work as a healthcare provider (physician, NP, PA)
- Regularly provide care for adults with type 1 diabetes (ages 18-25 yrs.)
- Have access to a computer, tablet, smartphone with internet access and a microphone. A camera is optional

Compensation: \$40 Amazon gift card or \$40 donated to the ADA or the T1D Exchange
