Current and new learners please (re)enter **new** access code to join IHI Learning and Education. Here is some helpful information to get you started:
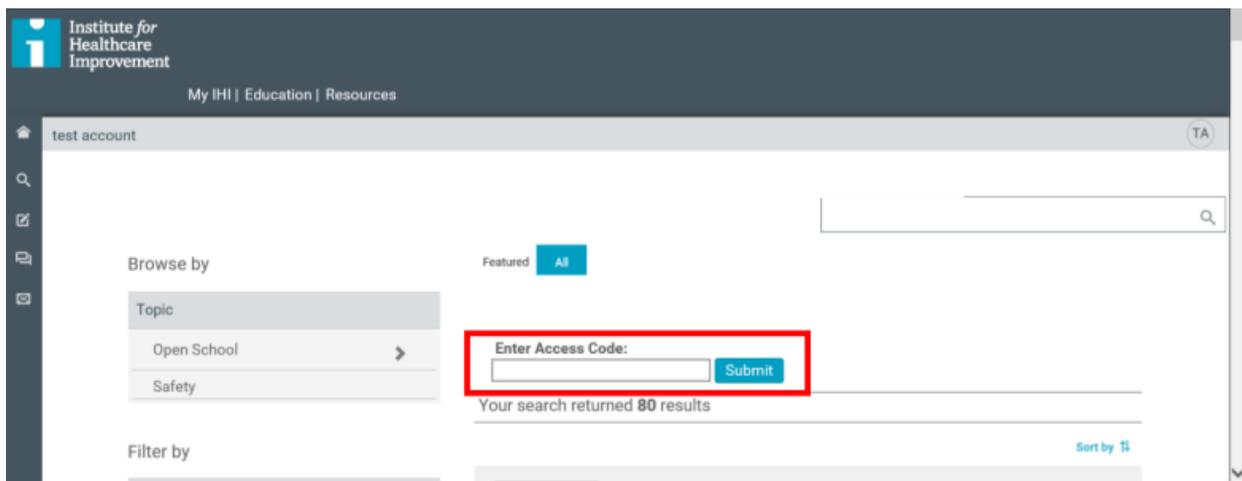

- [Instructions for how learners join your subscription](#)
- [Open School access code FAQs](#)

1.) **Please go to the "Browse Catalogue" section of your Education Platform (https://education.ihi.org/) and input your access code in the small search bar on your right labeled "access code".** After you do this, then you will have access into your organization's subscription.

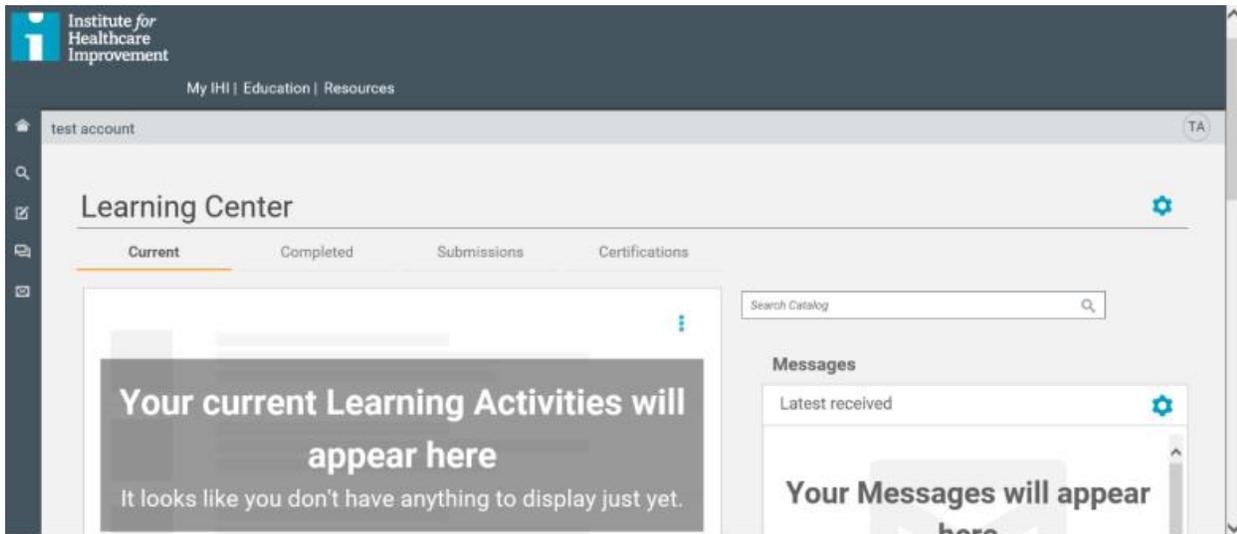

2.) **On the top of the page there will be a spot to enter your access code. Once you see a green bar on the top of the screen acknowledging your successful input of a valid code, all the open school courses available to you will say "enroll."**

Access Code: **68575**

3.) **Once you have completed this, please logout and log back into your Education Platform (https://education.ihi.org) using a different web browser or a private/"incognito" window.**

Please go to the "Browse Catalogue" section of your Education Platform (https://education.ihi.org) and look for the grey box labeled "Topic" under the search bar on the left. Click Open School Courses>Open School: English: Full Access.

4.) **Enjoy the Open School courses!**
